Questions for Discussion and Meditation:

1. How should the promise that Jesus will renew this broken world change how you respond when things aren't the way they should be? How can that hope drive you to a new way of addressing sin and brokenness around you?
2. In what areas of your life do you need to shift your perspective from the gift you've received to giving glory to God as the giver? How could you do this?
3. Does the perspective that you were dead like Lazarus until God called you out of the grave change how you view yourself and others? How can you be freed by your own helplessness apart from God?
